Course:  
**Fashion**

Course Overview:
This course provides students with an opportunity to further develop their textile practical skills by utilising tools of the trade such as the sewing machine, overlocker and commercial patterns. Students will work as part of a design team and apply the design process in a creative manner to produce a coordinated set of fashionable sleepwear.

---

**Dear Parent / Careprovider**

**Requirements of Course**

**Theory:**
- A4 display book – plus A4 writing paper
- Writing equipment.
- Workbook is provided.

The following needs to be provided.

1. Fabric woven for shorts or pants and notions
   eg. elastic or ribbon (the pattern is provided)
2. Top – T-Shirt / Singlet will be provided by the teacher. Notions to embellish and decorate need to be supplied by student.

**Subject Contribution: $30.00**

We endeavour to keep contributions to a minimum. Subject contributions are a necessary part of this course to pay for food/materials and workbooks used by your child throughout the course. The principle of students paying for materials used in class is supported by the whole community ie P & C. Payment of the above amount can be made in instalments if that is more convenient to you, but, please note full payment will need to be completed mid semester.

---

Subject contributions are paid to the front office. Office hours for students are before school and at lunchtime. Parents may make payment between 8.30am and 3.15pm. Payments can only be made in cash or cheques made out to Newcastle High School.

---

**Safety and Health Regulations:**
The Department of School Education requires the following practices for safety:
- Long hair to be tied back
- Leather shoes to be worn in practical lessons

After signing this course outline, it is to be returned to your classroom teacher.

Thankyou for the prompt payment of your subject contributions and for supporting your child in this subject.

YEAR 8 TECHNOLOGY - FASHION

ASSESSMENT

During this semester your child will be completing a unit of work where they will further develop their textile practical skills. Students will be required to design and create a two-piece co-coordinated sleepwear set that features a promotional logo.

There are three areas that are being assessed: these are practical, design and research.

The marks are adjusted to fit into these areas and are reported as outcomes.

The following is the assessment schedule for Year 8 Technology - Fashion:

<table>
<thead>
<tr>
<th>Unit of Work</th>
<th>Assessment</th>
<th>Area being Assessed</th>
<th>Outcome</th>
<th>Weighting</th>
<th>Approx Date Due</th>
</tr>

</table>

For each assessment task, students will be given written feedback indicating the areas of strength and areas that need to be improved upon.

Students will also be given an indication as to the outcome achieved in the task, which reflects the faculty's outcomes used on the half and yearly reports.
